picking you in the ribs or knocking at your side? How thick is your mattress or don't you have any? You must remember to turn it because if it's a school mattress you will leave it worn thin in one place before long! When you dress in the morning, always put your dress on right - it wastes time to have to change it and time may be precious only five minutes 'till breakfast going or before the dining room doors are shut, you know.

Melvin Tappan is attending school at Central. He commutes each day.

Miss Gilman and her mother have gone to Wisconsin as Alice is taking graduate work in
